SHB9350WT

Wireless precision sound

Cut the cables not the quality

The Philips SHB9250 with Bluetooth connectivity eliminates cables but not sound quality, delivering rich bass and pristine clarity. Easily switch from music to calls and enjoy comfort on the go, thanks to soft-cushioned earshells.

Powerful sound - wirelessly

- 40mm neodymium drivers for deep bass and clear sound
- Closed acoustic system for optimum isolation
- One-touch bass enhancement for a deep dynamic bass
- Closed-back design for optimized sound isolation

Make life more convenient

- Flat-folding design for easy storage on the go
- Bluetooth technology for unwired freedom and convenience
- One-tap NFC connection for simple pairing
- Multi-pairing plays music and calls on two devices at once
- Responsive and user-friendly smart touch controls
- Wireless control and enjoyment of music and calls
- Activate Siri and Google Now with a press on earcan button

Comfortable for long use

- Adjustable earshells and headband for the perfect fit

PHILIPS

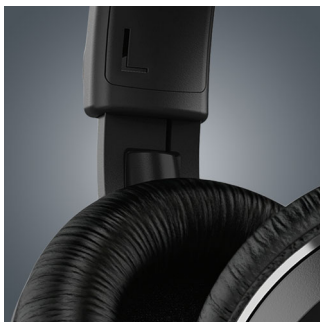

Highlights

40mm speaker drivers

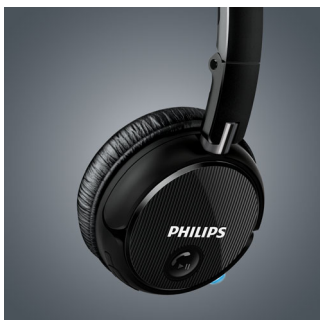

40mm neodymium drivers for deep bass and clear sound

Adjustable earshells, headband

Your headphones are ergonomically designed to fit you perfectly, thanks to its adjustable earshells and headband – for true comfort and security on the go.

Closed-back design

The closed-back design isolates your music from any external sounds, allowing you to

enjoy all the fine details and rich bass of the original recording.

Ergonomic cushion profile

Ergonomic cushions are crafted from soft foam, providing the perfect sound seal as well as superb long-wearing comfort. Carefully adjusted clamp-force ensures a secure fit and optimal sound enjoyment for hours.

Flat-folding design

Cleverly designed to give you the best experience on the go, your bluetooth headphones can be easily folded away for easy portability and storage. Carefully selected components, including hinges that allow the headphone parts to be moved with ease, make these headphones your perfect travel companion.

Digital Bass Boost

One-touch bass enhancement for a deep dynamic bass

Bluetooth technology

Pair your headphones with any Bluetooth device for crystal clear music enjoyment – wirelessly. Even when the batteries run out, your music enjoyment does not have to end. Simply plug in the cable and let the music play on.

Closed-back design

The closed-back design isolates your music from any external sounds, allowing you to

enjoy all the fine details and rich bass of the original recording.

Easy NFC pairing

Auto wake-up device with a simple NFC one-tap pairing lets you connect your Bluetooth headphones with any Bluetooth-enabled device – with just a single touch.

Multi-pairing

Multipairing allows you to connect your Philips Bluetooth headphones with two Bluetooth-enabled devices simultaneously. Simply pair up the two devices to enjoy movies and music while effortlessly taking calls in between.

Smart touch controls

Smart touch controls are responsive and user-friendly, allowing for gesture controlled volume, forward, backward, play, pause and call answer.

Wireless music and calls

Simply pair your smart device with your headphones using Bluetooth and enjoy the freedom and pleasure of crystal clear music and phone calls – without the hassle of wires. Intuitive buttons let you have easy one-touch control of your music and incoming or outgoing calls.

Works with Siri/Google Now

Compatible with Siri and Google Now, the latest Philips Bluetooth headphones make using your virtual assistant even easier. All you need is a press on the earcan button to activate Siri on iPhone or Google Now on Android devices.
